A Few Tips

- Read with your Bible open. These books are meant to send you back to Scripture, not replace it.
- Go slow. One chapter a day, read and thought about, beats ten chapters skimmed.
- Read with someone if you can. Most studies have questions at the end of each chapter for a group or a friend.
- New books are added to the website often, so check the Christian Resources page for the full list.

*"Every Scripture **is** God-breathed and profitable for teaching, for reproof, for correction, for training which **is** in righteousness, so that the man of God may be complete, fully equipped for every good work." 2 Timothy 3:16-17*
